

# It's time to fight for our jobs!!

\*\*\*\*\*

## Compass tells Union worker committee:

“NO WAGE INCREASES AND SAY GOODBYE TO YOUR MEDICAL NEXT YEAR”

While we beat back the company proposals to eliminate job descriptions from the contract, to charge workers for meals and other horrible proposals, they are saying that they have no money for wages and benefits.

Our Petition to keep the Union Medical caused the Company to back off eliminating our medical benefits this year, but they are now insisting on:

1. 1 year contract
2. Wage freeze
3. Pension freeze
4. Overtime cut
5. Eliminate Union medical next year

**It's time for us to be UNITED to show the company that we mean business** in our fight for decent wages and keeping our benefits, and that we will fight back rather than accept these cuts and freezes.
